Dear Community Partner,

The Richmond Guardians is the premier basketball program serving the homeschool community in Madison County and the surrounding areas. The homeschooling community has grown considerably in recent years, and families are seeking competitive sports opportunities for their children. The Richmond Guardians offers a comprehensive basketball and track program for boys and girls ages 10 to 19.

Our program provides a safe, fun environment where players grow in skill and character. We focus on total player development, helping kids learn teamwork, respect, character, and integrity—lessons that carry far beyond the basketball court.

As our program continues to grow, we rely on the generosity of local businesses and individuals to keep participation affordable and provide quality equipment, uniforms, and facilities. Your support directly impacts these young athletes and strengthens our community.

Ways to Support the Richmond Guardians

Season Sponsorships

- Level 1 — \$300: Business logo displayed on a banner in our home gym and verbal recognition at all home games.

Game or Event Sponsorships

- Sponsor a home game for \$75. Your name or business will be announced at halftime and featured in that week's social media post.
- Event sponsors can also support tournaments, clinics, or special community events.

In-Kind Donations & Raffles

We welcome one-time donations of goods, services, or gift cards that can be raffled or used for fundraisers—such as restaurant gift cards, merchandise, or professional services.

All contributions are tax-deductible, and we will gladly provide a receipt for your records.

We'd love to partner with you to support local homeschool athletes and make a lasting impact on their lives. Please contact us at richmondguardians@gmail.com or visit <https://richmondguardians.com/sponsor> to learn more or become a sponsor.
